

Siegfried De Buck // **Ring**

As a contemporary jewellery designer and silversmith, Siegfried De Buck plays an important role in the development of Belgian goldsmithing. His career, in which craftsmanship and elegance are at the heart of things, spans over 30 years and bears witness to a great personality. Due to his continuous drive for innovation, various style periods were formed in his design work. Led by his sense of materials, the designer merges precious and non-precious materials to form unique pieces. Published on the occasion of the exhibition 'Siegfried De Buck: Een carrière als Juweelontwerper en Zilversmid' at Designmuseum, Ghent.
