

35 jaar Frans Masereel Centrum

The Frans Masereel Centrum (founded 1972) celebrates its 35th anniversary. It is a dynamic, diverse and forward-looking international center for contemporary art, with a focus on the graphic image. Not just a center for creation but also a center where knowledge, international cooperation, exploration and public participation are the point of focus. The work of the contemporary artists represented in this book show a great affinity with the graphic medium.

Work by Jochem Vanden Ecker, Mira Sanders, Helena Sidiropoulos, Koenraad Dedobbeleer, Nico Dockx, Philip Jones, Willo Gonnissen, Agnes and Fred Geofrray Simaey.
