

Pas de Deux: 5 x 2 x 2 Mediterranean Dialogues

The publication documents encounters between artists from the southern Mediterranean and a curator from the northern and eastern part of the Mediterranean sea. They share a dialogue about artistic approaches to the question “Where are we now?”

This question, central to the Marrakech Biennale 2014, is recontextualized in Florence as a metaphor of the Mediterranean. By defining regions in terms of their network of cultural impact, Pas de Deux: 5 x 2 x 2 considers the Mediterranean Sea both as a rich historical and as a contemporary platform for dialogue.
