

Jack Pierson // **Stardust**

Jack Pierson: I chose this old fan magazine as my book project because I like everything about it—the design, the printing and the photography. I love the subject matter—the stars we remember and the ones we do not. Men, who obviously held a place for a while in the evanescence of Hollywood and youth.

I seek to preserve, come what may, the ephemeral.

As part of the Ex Libris series, this slipcased book comes with a signed Ex Libris insert and a limited edition print, signed in an edition of 40.

Also available as Ex Libris book with signed insert. More details [here](#).

80 pages. 2012. Format: Slipcase. 23cm × 32cm. 850,00 €.
