

Peter Wachtler // **Der Pöbelanwalt**

The artist book *Der Pöbelanwalt* contains a new short story by Peter Wächtler as well as close-up photographs of animal sculptures that he presented at the Kunstverein Hildesheim in 2013. The figures with their distorted faces, marked by the hard labor of carrying stones, are juxtaposed with a tragicomical absurd story set in the context of medical service.

Publisher: argobooks. 24 pages. 2015. Format: Paperback. 21cm × 28cm.
