

Lucy Powell // **100 Percent**

100 Percent (2016) is the title of a new artist's book by Lucy Powell that plays with the notion of our ability to measure and know the world. Gathered over several years from the internet and other media outlets, it presents a string of statistics progressing from 1% all the way to 100. The logic it pursues, however, is a twisted one, as the mix of facts and factoids are entirely decontextualised and ultimately absurd.
