

BASTARDS OF MISREPRESENTATION NEW YORK EDITION

**Pow Martinez** Pow Martinez's paintings belie their grotesque subject matter with indelibly beautiful surfaces and a wide-ranging, daring, use of color. Mutants, monsters, demons, deviants and freaks lurk, sit and appear to transform amidst wordily lit landscapes or disintegrating urban scenarios, or emerge from a painterly graffiti mess. But, as his more abstracted works insist, Pow's ability to render intiguing relationships between forms and surfaces ensure his works are endlessly compelling: an experience akin to a beautiful nightmare.
