

The Others

The Others is a small, black-and-white risograph publication that is composed with the intent to powerfully communicate a vengeful manifesto from the voices of scorned and experienced outsiders. The "otherness" factor is never disclosed, yet the consequences for its neglect radiate from each page. Strongly worded indictments fill *The Others*, creating a textual condemnation that feels verbal due to the simplicity and audacity of its design.

Publisher: Gato Negro Ediciones. 48 pages. 2015. Format: Paperback. 12cm × 17cm. English. 10,00 €.
