

## IRWIN // Retroprincip

20 years of Irwin! The comprehensive publication which accompanies the traveling retrospective exhibition of the Slovenian artist group is the broadest documentation of their long-standing collaboration so far. The catalogue, which is conceived as an anthology and divided into thematic chapters, contains important articles and texts on Irwin/NSK that were published between 1984 and 2003 in catalogues, magazines and books, most of which are no longer available. The catalogue makes this material, in part translated into English for the first time, accessible again.
