

Jack Pierson // **Stardust** Ex Libris No.21

Jack Pierson: I chose this old fan magazine as my book project because I like everything about it—the design, the printing and the photography. I love the subject matter—the stars we remember and the ones we do not. Men, who obviously held a place for a while in the evanescence of Hollywood and youth.

I seek to preserve, come what may, the ephemeral.

As part of the Ex Libris series, this slipcased book comes with a signed insert. Also available as a collector's edition with original signed print, details [here](#).

80 pages. 2014. Format: Hardback. 23cm × 32cm. ISBN: 9783897709515. 85,00 €.
