

Karl Blossfeldt, Neo Rauch // **Begegnung / An Encounter**

Karl Blossfeldt / Neo Rauch the first of a new series from the Grafikstiftung Neo Rauch. The visual vocabulary of expression in the work of the German photographic pioneer Karl Blossfeldt stands in a dialog of first encounters with the painter Neo Rauch's works on paper created for this occasion. Berhart Schwenk: "Blossfeldt, who is now considered one of the pioneers of the history of photography, would have turned 150 this year. Like Rauch, the man born almost a century before grew up in the Harz Mountains; the places in which they spent their childhood and youth—Blossfeldt in Schielo, Rauch in Aschersleben—are located not far apart."
