

Laurent Impeduglia // **Bora Bora**

Laurent Impeduglia is left-handed and was born on a Friday 13th, just after midnight. His contemporary paintings are narrative, popular, symbolic and will always include humor and spirituality. On a dirtied white background, alchimic and theological references are juxtaposed with B movie monsters and super heros. The composition is staged in a colourfull arcade game decorum, and executed from an rough cavalier perspective. Have a nice stay in Bora-Bora !
