

Konrad Becker, Miss M. // **An Interview with Manuel de Landa**

Is an artist, scholar, writer and, in his own words, street philosopher, without credentials. Concepts such as self organization, anti-markets, artificial life, the internet and non-linearity are so new that barely begins to see what they are capable of showing us about our behaviors. A light but deep talk about the ideas that construct the the author's thinking.

Publisher: Gato Negro Ediciones. 56 pages. 2015. Format: Paperback. 12cm × 17cm. 0 colour illustrations. 0 black and white illustrations. 10,00 €.
