

Stephan Birk // **MGF Architekten** Buildings III Bauten

The ideal architectural form is an integrative one made up of many individual parts. A straightforward, generous approach plus the cogent use of materials in design and construction bring out the quality of each specific location.

Publisher: AADR. 96 pages. 2017. Format: Hardback. 18cm × 24cm.
ISBN: 9783887783211. 24,00 €.
