

Zeitschrift

This eclectic magazine featuring art, photography, theory and interviews undergoes an appellative change with every edition, each taking its title from the font in which it is printed. Jubilee issue #30 came out in the magazine's 15th year. The font Zeitschrift (magazine in German) is especially designed for this issue by Alexander Wolff and is a merge of the fonts Helvetica and Times. The font is downloadable for free on www.ztsrpt.net. Each issue has a paper streamer woven through several pages by Niina Lehtonen Braun. The cool black'n white poster is made by Heimo Zobernig featuring a mash-up font of Helvetica and Courier, spelling the word SCHEITSCHRIFT.
