

Naomi Toth, Vanessa Place // **After Vanessa Place**

Coming and going after is Echo's affair; it is also the stuff of conversational pursuit. After Vanessa Place is an email exchange between poet and artist Vanessa Place and critic Naomi Toth on the backsides of speech and sight, where repeating and being conflated and confound in the trialectic of message, meaning, and motion. To be read as it is, or backwards, after the manner of history. And, echoing history, what's missed calls for more.
