

Alejandro Luperca Morales // **P. M**

This visual archive is shaped by photographs taken since the year 2010 from the evening newspaper P.M., published in Ciudad Juarez, Mexico. The brutal images of corpses and dismembered bodies have been meticulously eliminated with a rubber eraser, generating an accumulation of waste that alludes metaphorically to the ashes of a life that is no longer here.

Publisher: Gato Negro Ediciones. 64 pages. 2018. Format: Paperback. 12cm × 17cm.
10,00 €.
