

Sybella Perry // **Rustic Airs**

Rustic Airs is a dual publication by Sybella Perry consists of a risograph book (published by ATLAS Projectos) and a vinyl record (released by Hideous Replica), using the example of folk airs; interchangeable tunes that traveled and were adapted, in search for a way of thinking that addresses mobility, transformation and plurality. In an approach that combines generative electroacoustic composition with instrumental recordings of folk music, and critical writing with transcript and travelogue; change occurs in the gaps between notes and counts, between people, between spaces and places, words, sounds and topical fields.
