

Mina Wu // **Het Plateel**

Mina Wu came to Holland to study and work as a jeweler, product and textile designer. Due to the multi-cultural background, her works are blended with Asian-style handicraft and Dutch conceptual thinking. In between domestic and nomadic, decorative and practical, art and design. This book published on the occasion of her designs for for Het Plateel (Purmerend, 2010) commissioned by the Dutch housing association Ymere. This book gives an overview of her entire career.
